2 January 2024

Dear Parent/Guardian

## 1. Term 1 Message from Principal

It is with much enthusiasm, warmth and hope that we welcome all BGPians and parents to the year 2024. We are confident that with good character, a positive attitude towards learning, sustained efforts and a resilient mindset, BGPians will continue to scale greater heights with us. I know that my work here will continue to be a deeply meaningful one because of the support from BGPians, teachers, staff, parents and partners. BGPS is a vibrant school with a forward-looking curriculum and caring environment that nurtures students. We place strong emphasis in providing a school environment that is supportive, collaborative, and one which provides abundant opportunities for BGPians' diverse needs and interests to be met. Our stakeholder perspective, a 'School that Brings Out Every Child's Personal Best', reflects what the school prides itself on – uncovering the strengths of individual students while maximizing their potential. We encourage all BGPians to strive for excellence, to lead and serve guided by sound values, and to have the instinct to give back to society. Coupled with our emphasis on Character and Citizenship Education in tandem with the schoolwide 'The Leader in Me' and '7 Habits curriculum', the message on empowerment of learning beyond the academics will be seamlessly reinforced in our daily routines and processes. In the six years that BGPians will be with us, we surround them with the school's positive, affirming culture, providing space, challenges and encouragement for them to discover their own unique strengths, to enjoy learning and grow in confidence as 'Empowered Learners, Persons of Strength and Character', the school vision we espouse for every BGPian.

Our school recognizes students who demonstrate desired values through monthly awards like Model Class Award and Star Award. Graduating students who exemplify BGPS values are recognized through the pinnacle awards such as BGPian of the Year, Leadership Excellence, Sports Excellence, Aesthetics Excellence, Academic Excellence and Warrior Award. In particular, the Warrior Award recognizes students who have demonstrated remarkable perseverance and resilience in overcoming difficult circumstances and challenges to do well. We are happy to announce that our 2023 BGPian of the Year, Matthew Loi Hao Zhe, was also featured in the media for his all-round outcomes as a leader who has been developed holistically in BGPS.

The vibrancy of our school programmes, and our students' continued progress in the different domains of holistic learning, are testament to the dedication and enthusiasm of our teachers and staff. Our teachers are passionate about quality learning and firing the imagination of our students through interaction with the subject matter and the world around them.

We are grateful for the support of the entire BGPS community: our School Advisory Committee, alumnae, the parents of our BGPians, and friends and well-wishers of BGPS who have all been unstinting in helping and partnering the school in our continued efforts to provide the holistic development and experience of the students. In the recently-published international report on Programme for International Student Assessment (Pisa), it was mentioned that Singapore students continued the consistently good performance over previous Pisa cycles, not only in reading, mathematics and science literacies, but also in important 21<sup>st</sup> century competencies such as collaborative problem-solving and global competencies, as well as the ability to understand global issues and communicate across cultures. However, it was also mentioned that only about half of our students said that their parents took an interest in what they were learning, or that they were able to tell them about problems they faced at school, compared with about 60 per cent globally. Even though many parents are already involved in their children's development, there may be scope for them to spend quality time and strengthen their relationship with their children, particularly during their formative years. Perhaps we should run in our parks and play sports together,

thereby improving both our health and relationships. These will also be platforms that BGPS will seek to provide for families to do so in 2024, through our Parents Support Group, and our Fathers' Group. Our BGPS families must therefore play an even more active role to help all BGPians thrive in the 21<sup>st</sup> century.

Students are our hope, our pride and our future. I wish you a purposeful and fulfilling 2024!

We wish them all the best in their future endeavours, and are also grateful that both Mrs Koh Chee Seng and Ms Chong Yuen Meng will return as Flexi-Adjunct Teachers to serve the school.

#### 4. Recess, Snack and Dismissal

Our six recesses for the various levels will continue as per normal. The recess, snack and dismissal timings are as follows:

Level	Recess Timings	Dismissal Timings	Snack Timings
P1	8.30 a.m.	1.25 p.m.	11.00 a.m.
P2	9.00 a.m.		
P3	9.30 a.m.	1.30 p.m.	8.30 a.m.
P4	10.00 a.m.		
P5	10.30 a.m.	1.35 p.m.	
P6	11.00 a.m.		

Parents are encouraged to allow students to bring fruits, a sandwich or bun, and other healthy snacks during snack time in class and remind them to finish consuming their snacks during the given 10 minutes in class.

#### 5. CCA 2024

Our CCA timings on Friday mornings for Primary 3 to 6 students are from 7.30 a.m. to 8.30 a.m. For CCAs with additional training in the afternoon, CCA teachers-in-charge will inform students directly if they are involved.

#### 6. Road Safety and Gate Opening Timings

To ensure the safety of our students, parents who drive are allowed to enter the school through Gate 2 to drop students off at the school porch in the morning. To prevent any unnecessary delay at the drop off point, we seek your kind assistance in getting your child ready to drop off with their belongings / bags before reaching the drop off point. During dismissal, vehicular Gates 2 and 3 are closed from 1.20 p.m., and parents who drive are allowed to fetch the students only after 2 p.m. This is to allow the school buses to leave the premises safely. For the safety of all students and to ensure smooth traffic flow, parents should refrain from dropping students off or fetching them along Bedok South Avenue 2. Visitors who drive should also enter the school via Gate 2 and our security officers will direct them to available parking lots, if any.

Students can enter and leave the school via Gates 1, 4 and 5. Visitors must enter the school via Gate 1 to register with our security officers on duty. We have deployed security officers at Gates 2 and 3 to ensure that students walking along Bedok South Avenue 2 from New Upper Changi Road cross safely to Gate 4 at the start of every school day. Please note that the gates are only open during these timings:

Gate Days	Gate 1 (Along Bedok South Ave 2)	Gate 2 (Only for drive-in)	Gate 4 (Along Bedok South Ave 2)	Gate 5 (In front of Blk 31)
<b>Monday to Friday</b>	6 a.m. to 6 p.m.	6 a.m. to 6 p.m.	6.30 to 7.25 a.m. 1.25 to 2 p.m. *3.20 to 3.40 p.m.	6.45 to 7.25 a.m. 1.25 to 2 p.m. *3.20 to 3.40 p.m.
<b>Saturday</b>	7 a.m. to 1 p.m.	7 a.m. to 1 p.m.	Closed	Closed
<b>Who can access</b>	Accessible to students, staff, parents and visitors. Visitors need to register with our security guards.		Accessible to students & staff only.	Accessible to students and staff only.

\*on days when there are remedial and enrichment classes

If you fetch your child on foot, you are advised to wait near Gates 1, 4 or 5 during dismissal times. You can also fetch your child from the Student Care Centre in the evenings at Gate 4.

We seek parents' help to reinforce good road safety behaviour such as using the pedestrian crossing and avoiding jaywalking. Do remind students to practise the kerb drill before crossing – "look right, look left, look right again, ensure all vehicles have stopped, raise the hand high up and cross the road briskly". For students who cycle to school, do ensure that they are familiar with safe cycling rules and are competent cyclists. It is mandatory for all cyclists to wear helmets.

## **7. Arrival of School Buses and Peak Period Traffic**

Our school buses will arrive in school between 6.30 a.m. to 6.55 a.m. We strongly encourage parents to avoid dropping students off during this peak period to avoid causing traffic congestion. Parents who drive are advised to drive safely into the school. We would appreciate it if you could abide by the instructions provided by duty personnel directing traffic for the safety of all.

## **8. Student Attire and Appearance**

Students are expected to dress neatly and smartly in clean uniforms and shoes when they report to school. Students who come to school outside of curriculum hours including weekends and school holidays must be in their school uniforms or PE attire and school shoes. Please note that skirts must be of knee length and any modification to the school uniform is strictly not allowed. Students in need can approach the General Office for more information on financial assistance for school uniforms.

## **9. Personal Property**

Students should not bring valuable items and excessive pocket money to school. \$2.50 per day is adequate for a meal during recess. We seek parents' support in encouraging students to demonstrate responsible behaviour towards their personal belongings. Students are to label their personal items – e.g., school bag, school uniform – shirt, skirt, T-shirt and shorts, water bottle, pencil case, etc. We hope parents will reiterate the values of care and responsibility to help minimize incidents of lost items.

## **10. Canteen Menu & Price Lists**

In our continuous effort to promote healthy food at the canteen, our canteen food stallholders have upskilled their food preparation of their menu with good ingredients and spices. We hope parents would encourage your child to support the new set meals. Our new Canteen Menu and Price Lists for the canteen stalls can be found on our school website.

## **11. Students who are Unwell**

If you need to pick your child up when he/she is unwell or for any emergency, please report to the General Office. Parents picking children who are unwell are allowed to drive into the school via Gate 2 and park near the school porch. You will need to inform the security guard. Please note that students are not allowed to go home on their own before the school's official dismissal time.

## **12. Absence from School**

Whenever your child is absent, you need to submit a medical certificate (MC) or a letter to explain the absence. Please also inform your child's form teacher on the morning of your child's absence. We strongly discourage parents from taking the child out of school during term time unless there is a valid reason. Should there be any reasons to do so, we seek your assistance to inform your child's form teachers ahead of time so that he/ she would be able to advise you accordingly. Do note that there will be no make-up assessment/ test/ exam if a student misses any of these.

## **14. Health-Related Matters & Individual Student Record Details**

To educate students on taking personal responsibility for their own health and practicing social responsibility, a temperature taking exercise will be conducted on 10 January 2024, Wednesday. Please ensure that your child/ward has a clean and working thermometer. If your child's/ward's thermometer is

not working, a new one (\$5.30) is available in school or from any pharmacy. Batteries for the thermometers can also be purchased from the bookshop. All P1 students will be issued with a new thermometer on the first day of school.

If your child/ward is unwell, please take him to see the doctor and keep him at home to recuperate and fully recover before returning to school. We appreciate your co-operation in this matter, for the well-being of your child/ward and others in the school. We will remind our students about this regularly as part of our efforts to encourage social responsibility.

To ensure that your child's contact information and health information is updated, we would like to request for an update of your information and your child's/ward's information via the Student Details Form (SDF) for the purpose of providing educational services to your child/ward in MOE schools.

Please submit the information through the SDF portal which can be accessed via this URL: <https://pg.moe.edu.sg/forms/sdf> or the QR code below. Parents/Legal Guardians may login to the SDF portal using your Singpass account to submit your information and information of your child/ward. Authorised Caregivers can only submit your own information.

The SDF portal can be accessed via desktop computers or mobile devices such as laptops and mobile phones. We seek your help to complete the submission by 31 Jan 2024. You may also wish to know that the SDF portal will be accessible till the last day of Term 4 for you to provide timely updates of your information and/or your child's/ward's information.

Please contact us at [bgps@moe.edu.sg](mailto:bgps@moe.edu.sg) or 64424516 if you encounter any problems in accessing the portal.

As part of our student well-being efforts, MOE has purchased insurance to provide free basic coverage for our students to insure them in case of accidents. Your child will be given a copy of the policy coverage and benefits for your information and retention. In the event of any claim, please approach the general office or your child's form teacher for assistance.

### **13. Orientation Week for Primary 2 to Primary 6 students (3 January and 4 January)**

All P2 to P6 students need not bring any books or learning materials to school on the first 2 days (3 January and 4 January) as timetable is suspended and students will be engaged in planned orientation activities. P2 to P6 students should bring along a small bag with snacks, a filled water-bottle and the 2024 student handbook as well as writing materials. Students can also come in PE attire. From 5 January onwards, students are required to bring along their books and learning materials according to the weekly timetable, which will be issued to students during the first 2 days.

### **14. Non-Tamil Indian Language (NTIL) Weekend Centre (WEC)**

Our school will continue to be an NTIL WEC for Hindi this year. The community group will provide more details for students to register for Hindi classes in January 2024 separately in January.

### **15. MENDAKI Tuition Scheme (MTS)**

In our school's efforts to support our students in their academic progress, we will start the MENDAKI Tuition Scheme in collaboration with MENDAKI for identified students who meet the eligibility criteria. The classes will be conducted on Wednesdays, Fridays and Saturdays, based on the subjects that the students

choose. We strongly encourage parents to sign up for this should your child require the extra support.

The MENDAKI Tuition Scheme was introduced as part of the collaborative effort with the other Self-Help Groups (SHG). The scheme is jointly organised by Chinese Development Assistance Council (CDAC), The Eurasian Association (EA), Singapore Indian Development Association (SINDA) and Yayasan MENDAKI with the aim of improving students' academic performance. More details on MTS will be given in January 2024. The registration for MTS is online @ [mts.mendaki.org](https://mts.mendaki.org). Please contact Ms Tety Sulaiman, our Admin Executive, at 64425416 if you have inquiries on MTS.

## 16. Parents Gateway and Class Dojo

Our school uses Parents Gateway as the main platform to communicate school information, schedules or announcements to parents. Parents Gateway is a mobile app specially designed for parents. Developed by MOE and GOVTECH, the app allows parents to engage with schools, receive information and perform a range of administrative functions such as submitting travel declarations and giving consent for learning journeys. All eligible parents are expected to be onboard Parents Gateway and no printed letters will be issued to parents.

As such, we would like to remind a small number of parents who have not downloaded the Parents Gateway mobile app to do so on your mobile phone (available on iOS and Android platforms only) and perform a simple one-time onboarding process by Monday, 8 January 2024. If you are unable to download and install Parents Gateway, kindly call the school Admin Executive at 64425416 for assistance.

In addition, we will be embarking on Class Dojo (an online collaborative communications app) for class-based communications between parents and teachers. More information will be provided in the Form Teachers' Introductory Letter to parents in January.

## 17. Primary 1 and Primary 6 Photo-Taking Exercise for 2024 School Smart Cards (SSC)

Please be informed that the photo-taking exercise for the issue of School Smart Cards for P1 and P6 students will be held on 18 January 2024, Monday for P1 and P6 students. Students must be in school uniform for the photo-taking exercise. P1 students will get their SSCs by mid-March 2024, while the photos for P6 students will be used for the printing of Secondary SSCs when they are promoted to Secondary One in 2025. For P1 students, while pending the receipt of the SSCs, students can continue to use the Child Concession Card for free travel on public transport until 30 April 2024.

## 18. Photography and Videography at School Events and Publications of Students' Work

Photographs or video images of students or their parents/legal guardians may be taken during school activities and events such as classroom lessons, CCA, school camps, or school concerts. The school may use and publish such photographs or video recordings in school publications, the school website, social media channels, or other communication channels. Parents should notify the school in writing if consent should not be granted by Term 1 Week 2.
